Please note that at the end of the Term, unless you and we agree instructions to the contrary, your Island Fixed Rate Deposit Account will automatically convert to be an Island Standard Saver Account. The Island Standard Saver Account Conditions are included at Part B of this document and may be amended from time to time.

2. Opening your Island Fixed Rate Deposit Account

- 2.1 We reserve the right to refuse to open an Island Fixed Rate Deposit Account for you in our absolute discretion.
- 2.2 To open an Island Fixed Rate Deposit Account you must be at least 18 years old and ordinarily resident in the Channel Islands or the Isle of Man.
- 2.3 Your Island Fixed Rate Deposit Account can be opened in your sole name or held jointly with someone else. However, your Island Fixed Rate Deposit Account cannot be changed from your sole name to joint names (or vice versa) midway through the Term.
- 2.4 You must promptly advise us of any change in the information you provided to us in the Application Form.

3. Currency

- 3.1 Your Island Fixed Rate Deposit Account will be denominated in Sterling.

4. Deposits and Withdrawals

- 4.1 You must, at all times for which your Island Fixed Rate Deposit Account is open, maintain a Nominated Account.
- 4.2 The Opening Deposit must be paid from your Nominated Account and will be transferred automatically from your Nominated Account to your Island Fixed Rate Deposit Account on the date your Island Fixed Rate Deposit Account is opened. This means that the Opening Deposit must be available as cleared funds in your Nominated Account (in accordance with the terms and conditions applicable to your Nominated Account) for your Island Fixed Rate Deposit Account to be opened. Deposits cannot be made in cash.
- 4.3 During the Term and following payment of the Opening Deposit, you may not make any deposits into, or make any withdrawals from, your Island Fixed Rate Deposit Account.
- 4.4 Withdrawals from your Island Fixed Rate Deposit Account or early closure of your Island Fixed Rate Deposit Account are not permitted during the Term, unless you die or where you have financial difficulty (you are unable to afford your current commitments and unable to restructure or reduce spending to bring your budget into balance). If you die during the Term, upon instruction from your Executor or Administrator and receipt of all documentation relating to your death required by us, we will close your Island Fixed Rate Deposit

Account and repay the Opening Deposit together with interest up to the date upon which your Island Fixed Rate Deposit Account is closed into your Nominated Account.

5. Fees and Charges

- 5.1 Charges do not currently apply to your Island Fixed Rate Deposit Account. However, there may be charges for particular banking or other services we provide. For example, we may charge you for making deposits, withdrawals, transfers and/or payments from your Nominated Account, in accordance with the terms of that Nominated Account.
- 5.2 For information on our standard fees please see our banking charges guides. Any changes to our fees will be notified to you in accordance with the Customer Relationship Agreement.

6. Interest

- 6.1 Interest will be calculated from the start of the Term at the fixed rate detailed in your Confirmation. The interest rate applicable to your Island Fixed Rate Deposit Account will remain fixed for the duration of the Term.
- 6.2 Interest is calculated daily on the cleared credit balance in your Island Fixed Rate Deposit Account. Unless agreed otherwise in writing, we will pay interest to your Nominated Account. If the Term of your Island Fixed Rate Deposit Account is in years (for example, 1 or 2 years) you can choose (in your Application Form, or by written agreement with us) to have interest paid either yearly or monthly. If the Term of your Island Fixed Rate Deposit Account is in months (for example, 6 or 18 months) you can choose (in your Application Form, or by written agreement with us) to have interest paid either monthly or at the end of the Term.
- 6.3 Where we pay interest yearly we will pay it on the anniversary of the start date shown in your Confirmation, or the next Working Day if that day is not a Working Day.
- 6.4 Where we pay interest monthly we will pay it once a month on the same day each month as the start date shown in your Confirmation, unless:
 - a. that day is not a Working Date, in which case we will pay interest on the next Working Day; or
 - b. that day does not occur in a given month (because there are a different number of days in the month), in which case interest will be paid on the last Working Day of that month.

-
- 6.5 Although the interest rate applicable to your Island Fixed Rate Deposit Account is a fixed interest rate, where you choose to have interest paid monthly the amount of interest which you receive could be slightly different each month since interest is calculated daily and there can be a different number of days in each month.
 - 6.6 Interest will be paid without deduction, unless otherwise required by applicable law.
 - 6.7 For full information on the interest rate which applies to your Island Fixed Rate Deposit Account please check your Confirmation, contact your local branch or access our website islands.lloydsbank.com

7. Conclusion of the Term and Conversion

- 7.1 On the last day of the Term (or the next Working Day if the last day of the Term falls on a non-Working Day), we will automatically convert your Island Fixed Rate Deposit Account into an Island Standard Saver Account (the **Conversion**).
- 7.2 Following the Conversion you will hold an Island Standard Saver Account instead of an Island Fixed Rate Deposit Account. Your account number and sort code will remain the same, but the Island Standard Saver Account Conditions will apply to your Island Standard Saver Account and not these Island Fixed Rate Deposit Account Conditions. The Island Standard Saver Account Conditions (which may be amended from time to time) are set out at Part B of this document. Your Island Standard Saver Account will be subject to the interest rates and charges applicable to Island Standard Saver Accounts, which will be available within branch or on our website islands.lloydsbank.com, and which may be less favourable than the interest rates and/or charges which apply to your Island Fixed Rate Deposit Account.
- 7.3 It is your responsibility to contact us to give us your maturity instructions before the end of the Term. However, at least 60 days before the end of the Term, we will write to you asking for instructions about what you would like us to do with your balance after the Conversion. When we write we may also send you information about other accounts we think may be appropriate, for example, if we are offering similar accounts at the time that you may want to transfer the balance to.

- 7.4 If we do not receive your instructions (or we cannot reasonably comply with your instructions, for example, because they are unclear or incomplete), your money will remain in the Island Standard Saver Account following the Conversion until we act upon clear and complete instructions to transfer the balance to another account.

8. Changes to these Island Fixed Rate Deposit Account Conditions

- 8.1 We may change these Island Fixed Rate Deposit Account Conditions at any time, in accordance with the Customer Relationship Agreement. You will be notified of changes to these Island Fixed Rate Deposit Account Conditions in the manner specified in the Customer Relationship Agreement.
- 8.2 We will not change the interest rate which we have agreed with you in respect of your Island Fixed Rate Deposit Account during the Term.

9. Governing Law

- 9.1 These Island Fixed Rate Deposit Account Conditions are governed by the laws of the jurisdiction in which your Island Fixed Rate Deposit Account is held. This will be the law of Jersey, the Island of Guernsey (including where your Island Fixed Rate Deposit Account is held with our branch in Alderney) or the Isle of Man.

IMPORTANT INFORMATION – RISKS TO YOUR MONEY

- Your funds are committed for the duration of the Term. Your financial position must allow you to be able to cover your cash flow requirements whilst your funds are committed.
- In an increasing interest rate environment, you will not benefit from any improved interest rates. The pre-agreed interest rate will apply until the maturity date shown in your Confirmation.
- If you do not contact us to give us your maturity instructions (or if you provide unclear or incomplete instructions) your balance will remain in an Island Standard Saver Account following Conversion, in accordance with clause 7.
